

REMARKS

The Amendment

Applicants have canceled claims 56 and 57 to place this case in better condition for appeal. The cancellation of claims 56 and 57 should obviate the examiner's rejection under 35 U.S.C. § 112, first paragraph as lacking support in the specification.

Entry of the amendment for purposes of appeal is respectfully requested.

Submitted,

A handwritten signature in black ink, appearing to read "Robert E. Strauss", is written over the printed name.
